YOUNG YE EUROPEANS A AWARD

Tri-national Competition for Young People from Germany, France and Poland

»To be or not to be ...
a European?«

2017 / 2018

Are you under the age of 21, from Germany, France or Poland, and enthusiastic about European issues? Then take part in the **Young Europeans Award**, our tri-national competition, for a chance to win a stay in Warsaw, including an award ceremony, in autumn 2018!

Create Your Vision of Europe

Collaborate on a joint project with your partnering school classes or out-of-school groups from Germany, France and Poland on the topic »**To be or not to be ... a European?**«. You are free to choose the thematic focus of your project: you may, for example, engage with the geographical, cultural, artistic, journalistic, societal or political aspects of the question in the creative form of your choice (such as written texts, photography, video and audio recordings, artistic presentations, performances, websites, etc.).

Your application should be submitted no later than **March 1, 2018**.

Change Your Perspective!

The Guest Country

Each edition of the contest will have a focus on a fourth guest country. During the contest period 2017-2018, the United Kingdom is invited to participate as the guest country. German-French-Polish contributions that involve young people from England, Wales, Scotland or Northern Ireland from the start are naturally very welcome as well.

Find a Partner

If you are in search of a partnering class or group from Germany, France, Poland or the United Kingdom, please let us know. We are happy to assist you!

Join an International Team!

The Award

Win a thrilling trip to Warsaw, Polish capital and European metropolis. The tri-national winning team will take an active part in the award ceremony, along with an international jury of well-known members led by the film director Volker Schlöndorff. In Warsaw, you will personally meet the jury and learn about their vision of Europe. You will spend fascinating days with your project partners from Germany, France and Poland as well as young people from the guest country and benefit from an interesting programme that will allow you to get to know each other even better.
